

This is a message from Milberg, PLLC regarding your Video Game Addiction claim.

To ensure you receive important updates, please save our phone number, (866) 252-0878, to your contacts. This will help prevent our calls and text messages from being filtered as spam.

We Need Information From You

To help us pursue your claim, please provide any records or documentation related to your injuries.

Medical Records

If you received medical treatment for issues related to video game addiction, please send any available records, including:

- Doctor or physician records
- Hospital records
- Therapy or treatment records
- Pharmacy or prescription records
- Any other documentation related to your injury

You may submit these records by email, text message, fax, or mail using the contact information below.

If You Did Not Receive Medical Treatment

If you did not see a medical professional, please document your symptoms and experiences as thoroughly as possible. Examples include:

- A written diary or journal
- Personal notes describing your symptoms
- Screenshots from your phone, computer, or other devices
- Any other documentation showing how your injuries affected you

Please include dates whenever possible.

Video Gaming History

Whether or not you received medical treatment, we also need information regarding your gaming history. Please begin gathering the following information:

- Names of the video games you played
- Console, platform, or device used to play each game
- Manufacturer of the console or platform
- Approximate dates you started playing
- Approximate dates you stopped playing
- Average number of hours played per day

If you do not remember exact dates or details, please provide your best estimate. This information is important to the evaluation of your claim.

Important Case Information

Please note that this is not a class action lawsuit. Your claim is an individual case, and your cooperation will be necessary throughout the process. These cases can take several years, and we are unable to provide a specific timeframe.

Keep Your Contact Information Current

information.

Ongoing Medical Updates

If you:

- Experience new or worsening symptoms,
- Sustain additional injuries related to your claim, or
- See any new medical providers regarding video game addiction-related injuries,

please send us any updated medical records or documentation.
